The practicum/field experience is an opportunity for Candidates to observe and participate in diverse educational settings, and to apply the theories and concepts learned in program course work.
Conceptual Framework

College of Education Mission Statement
Professional education programs at Grand Canyon University are designed to support and promote the University's mission to prepare Teacher Candidates to become global citizens, critical thinkers, effective communicators and responsible leaders from the context of its Christian heritage. The College of Education inspires excellence in pedagogy and scholarship; advances reflective, innovative and collaborative teaching practices to maximize student learning and achievement; promotes servant leadership in educational communities; and engages a diverse and global community of Teacher Candidates with purpose and passion.

Learning:
We believe that all students can learn and that highly effective, innovative and collaborative teaching and administration maximizes best practices as well as student learning and achievement. Effective teachers and administrators are highly educated, skilled, committed and compassionate; they ensure all students learn to the best of their ability.

Leading:
We believe that education is a powerful tool with which to purposefully engage a diverse, global community. As our teacher and administrator candidates find their purpose and calling within education, they seek to lead others to reach their God-given potential in order for them to influence the changing world.

Serving:
The culture and Christian heritage of the University promotes a spirit of servant leadership within the College of Education's course instructors, staff and Teacher Candidates so they can serve people within the broader educational community.

Professional Dispositions
Professional Dispositional Expectations

- **High Expectations** - Educators should believe that all Teacher Candidates can learn and should set and support realistic expectations for student success.

- **Respect for the Diversity of Others** - Educators should be sensitive to individual learning and social needs of Teacher Candidates and embrace the cultural diversity of the community.

- **Fairness** - Educators should promote social justice and equity, maintain appropriate standards of confidentiality, and exercise fairness in all areas including assessment.

- **Professional Conduct** - Educators should exercise sound judgment and ethical behavior. They should be a positive role model within their community.

- **Reflection** - Educators should recognize that reflection combined with experience leads to growth as a professional. Educators should be thoughtful about their professional practice, critically examine it, and seek continual improvement.
Professional Dispositional Expectations

- **Curiosity**- Educators should promote and support curiosity and encourage active inquiry. They should be able to think innovatively and creatively, using critical thinking as a problem-solving approach.

- **Honesty**- Educators should model integrity by their words and actions. They should be forthright with others and uphold high standards of trust, character, and integrity.

- **Compassion**- Educators should demonstrate professional friendliness, warmth, and genuine caring in their relationships with others while providing intellectual, emotional, and spiritual support.

- **Advocacy**- Teachers understand the impact of community involvement and servant leadership as it applies to the welfare of others in the educational setting.

- **Dedication**- Educators should be committed to the profession of teaching and learning. They should be professionally active, lifelong Teacher Candidates and seek opportunities for professional development.

Completing Practicum/Field Experiences
Teacher Candidate Support Team

Field Experience Counselor (FEC): FECs support candidates with anything relating to programmatic requirements. These can include fingerprint clearance, exams, certification questions, practicum/field experience and clinical practice related issues, Document Management System (DMS), etc.

Student Service Counselor (SSC): The SSC supports the candidate with any academic issues relating to registration, finances, coursework, Document Management System (DMS), grade appeals, etc.

Course Instructors: Course instructors are the content experts in that course. They support questions relating to field experiences and practicum requirements and can offer guidance on how best to meet the practicum setting requirements.
Grading

- In order to earn a final grade for the practicum/field experience and its related assignments, Teacher Candidates must complete all projects, forms, evaluations, and documents needed to fulfill course requirements accurately, professionally, and in a timely manner.

- Additionally, any and all benchmark/signature assignments (including the work products, logs, forms, etc.) must be submitted for evaluation to the online classroom.

- The Course Instructor will use the grading scale and rubrics identified in the syllabus to determine the final grade.
Practicum/Field Experience Placement Policy and Procedures

1. Teacher Candidates must review the Practicum/Field Experience handbook as well as additional support materials related to completing practicum/field experience requirements and dispositional expectations.

2. With assistance from the Course Instructors and Field Experience Counselor (FEC), Teacher Candidates must research and select appropriate settings to complete practicum/field experiences as required by the course curriculum.

3. Teacher Candidates are responsible for corresponding with schools and districts directly to secure selected practicum placements. If the school or district requires university correspondence, the FEC may assist in requesting placement, although placements are not guaranteed.

4. If Teacher Candidates are unable to secure appropriate placements, he/she should reference *Documentation of Completed Practicum/Field Experiences* as stated in the handbook.
Documentation of Completed Practicum/Field Experiences

- It is paramount that timely, accurate documentation of activities using required forms and documents is kept. Once a site has been selected, Teacher Candidates are required to log the practicum/field experience hours on the Clinical Field Experience Verification Form and submit to his/her Course Instructor, along with other benchmark/signature assignment documentation as outlined in each course syllabus.

  - Incomplete hours may result in up to a twenty percent deduction for a related assignment.
    - 0-99% completed = 20% module deduction
    - Teacher Candidates must complete all required practicum/field experience hours within the course timeframe. All required practicum/field experience hours not completed within the course timeframe are subject to the assignment deduction AND must be made up prior to the end of the following course.
    - Practicum/field experience hours are mutually exclusive. Teacher Candidates must complete all required hours per each course – no double-dipping.
    - Failure to complete all practicum/field experience hours required within the program of study may result in ineligibility into the Clinical Practice portion of the program.

- The data entered into the Clinical Field Experience Verification Form may be audited for accuracy by a College of Education Representative. Falsifying information is a form of Academic Dishonesty and is in direct violation of GCU’s Code of Conduct Policy.
Practicum/Field Experience Placement

Securing a Practicum Placement
- Fingerprint Clearance Cards/Background Clearance
- Secure fingerprint clearance early in the program as Teacher Candidates will need this to complete all field experiences.

Researching Districts
- Research a variety of districts online to make a well informed practicum selection.

Diverse Settings
- Select a diverse set of experiences for a complete perspective when considering future employment.

Meeting Practicum Setting Requirements
- Ensure the placement meets the parameters outlined in the practicum requirement for a particular course by reviewing the syllabus as well as the Practicum/Field Experience Fact Sheet.

Purposeful Introductions
- Be professional when initiating contact with a potential placement. Develop a professional reputation.

Professional Presentation
- Act with integrity and professionalism during all interactions with field personnel.

Summer Practicum Placements
- See the practicum handbook for potential ideas and work with the Course Instructor for information on how to meet the practicum requirements during summer months.
Practicum/Field Experience FAQs
Practicum/Field Experience
Frequently Asked Questions

Q: Why does the candidate need to complete practicum hours?
A: Practicum/field experiences are field-based learning opportunities that focus on observation, application, and reflection. Practicum/field experiences require the College of Education Teacher Candidate to spend a prescribed amount of time in a real-life classroom setting in order to demonstrate competency with predetermined activities that are aligned to professional standards in the field of education.

Q: Can the practicum hours be waived for the candidate who is a classroom teacher?
A: No. Continuous learning by today's classroom teachers is necessary for the survival and improvement of the American educational system. Teachers improve their instructional practices when observing/working with other teachers; it provides insight into their own practices as well as introducing them to new ideas and techniques. Grand Canyon University recognizes that it is a challenge for the classroom teacher to find time to do this, but believes it is a necessity as it affords the classroom teacher the opportunity to observe and participate in diverse education settings and to apply the theories and concepts learned in their program coursework.

Q: What if a school district tells the Teacher Candidate that they need a letter to complete their practicum/field experience hours?
A: The Field Experience Counselor (FEC) can provide a letter that confirms that the Teacher Candidate attends Grand Canyon University and states his/her degree program, the class in which the Teacher Candidate is completing practicum hours, and the number of hours required for the practicum. However, in order for this to be completed this in a timely manner, the candidate must provide the following information and email it to his/her Field Experience Counselor (FEC).

  • Candidate’s full name
  • Course prefix, number, and full course title
  • Number of practicum hours to be completed
  • Name of the school district and the contact person's name
  • E-mail address or fax number where the letter is to be sent
Practicum/Field Experience
Frequently Asked Questions

Q: What is a benchmark assignment?
A: All Grand Canyon University College of Education teacher preparation programs are based on professional standards for educators (such as, the Arizona Professional Teacher Standards/APTS and the Interstate New Teacher Assessment and Support Consortium/INTASC). In order to determine whether or not the graduates of our programs possess essential knowledge, skills, and dispositions related to high quality and highly effective teachers, benchmark assignments have been developed for each course.

Q: Can the Field Experience Counselors make any practicum/field experience site accommodations or adjustments to the benchmark assignment?
A: No. It is the Teacher Candidate’s responsibility to communicate any challenges he/she is experiencing with the practicum/field experience to the Course Instructor; accommodations and/or exceptions are left up to the Course Instructor's discretion.

Q: Are there any specific requirements a Teacher Candidate should consider when selecting a practicum/field placement site?
A: Yes. It is important for the Teacher Candidate to consider the course practicum/field placement setting requirements identified in the Benchmark assignment resource provided in his/her course when selecting the site.

Q: What is a Title One School?
A: At least 30% of children in the school attendance area or the student enrollment are from low income families and so are eligible to receive free and reduced lunch.
