OFFICE OF FIELD EXPERIENCE

Field Clinical Counselors

Heather Marks

Josh Rope

- The Office of Field Experience (OFE) offers support to students who have clinical experiences
- Students will have clinical experiences in Levels 1-4
- Each student will be assigned a Field Clinical Counselor
 - Assists students with required procedures & documentation prior to starting clinical experiences

- All nursing students are required to provide immunization documentation & keep it up to date
- Your Field Clinical Counselor will provide relevant information & procedures prior to clinical experiences.
- Failure to comply will result in clinical restricted status (not allowed to go to the site), which can result in clinical/course failure

- Students will be using My Clinical Exchange (mCE)
- Completing mCE requirements on time is mandatory
- Failure to complete mCE requirements will prevent access to the clinical site, which will affect clinical grades & can result in clinical/course failure
- Be proactive & work with your Field Clinical Counselor to complete required steps & documentation prior to the established deadline (Clinical Ready!)
- Every site has their own requirements and if students are placed at a facility that requires this, they will be notified by OFE in order to meet clinical compliance.

GRAND CANYON
UNIVERSITY™

STUDENT SERVICES COUNSELORS

- Students are expected to work with their Student Services Counselors (SSCs) in order to be financially cleared, scheduled, & ready to start prior to each semester
- Includes completion of all required forms & documents in a timely manner
 - Method of Payment
 - FAFSA
 - Verification documents, if applicable
 - Payment plan setup
 - Housing
 - Any additional requirements not listed

CLINICAL/LAB EXPECTATIONS & PROFESSIONALISM

- Get some rest
- Be on time
- Be professional
- Know the dress code
- Eat breakfast
- Stay hydrated
- Stay positive
- Stay engaged
- Be prepared
- Practice self-care

When communicating with anyone about anything, please ensure to include the following:

- Your First and Last Name
- Your Student ID #
- Your Level
- Your Cohort
- Your Course
- Your Professor's Name
- Your Contact Information
- Well-Detailed Description of the Issue/Question

Expectations for Lab, Sim, & Clinical

- Personal Protective Equipment (PPE)
- Temperature Check
- Hand Hygiene
- A cloth or surgical mask will be required for entrance into your assigned labs and simulations.

- Students will sign-up for N-95 mask fit testing to be used in the face-to-face clinical setting at:

<https://www.signupgenius.com/go/409044daea72aa3fa7-respirator2>

- You will be responsible for maintaining this equipment.
- To provide better face and eye protection, a face shield should have crown and chin protection and wrap around the face to the point of the ear.
- Appropriately fitted, indirectly-vented goggles with a manufacturer's anti-fog coating provide the most reliable practical eye protection from splashes, sprays, and respiratory droplets.

- Know your policies!
 - Lab, Simulation, and Clinical Safe Practice Guidelines
 - Bodily Fluids Exposure and/or Injury During Field Experiences
 - Communicable Disease Policy
 - Clinical & Lab Attendance and Participation Policy
 - Clinical, Lab, and Simulation Tardy Policy
 - Immersive Simulation Rules
 - Policy for Student Substance Screening
 - Clinical Restriction Policy
 - Clinical Face-to-Face Experience
 - Fast-Track, Traditional, and Accelerated BSN: Required Prior to Starting NSG and Clinical Coursework

- Appropriate clinical attire is required for skills labs, simulations, and direct patient care clinical rotations
- Make sure to review the Guidelines for Undergraduate Field Experiences for Professional Dress and Behavior Expectations
- Uniforms can be purchased at the main campus [Lope Shops](#) location or through Apparel Pro at: <http://www.apparelprousa.com/gcu/>

- Grey's Anatomy men's & women's style
- Limited supply; First come - first served
- Available upon request at the Lope Shop:
(602) 639-7030
- You are able to try before you buy

- **Lab Kits:**
 - Will be distributed during the first week of labs
 - Contents in lab kit will be used throughout the program
 - As students progress to each level, the required supplies will be distributed for those courses

- **Practice Labs:**
 - Practice Labs are available by Sign Up Genius
 - More information will be given about this in your lab

GRAND CANYON
UNIVERSITY™

ADDITIONAL POLICIES & PROCEDURES

Every student is responsible to know & adhere to:

- Standard GCU policies, as outlined in the [University Policy Handbook](#) & [Supplemental Handbook](#)
- Classroom policies
- Clinical site policies & field experience guidelines.

Tip: Policies & guidelines located in the **Guidelines for Undergraduate Field Experiences Manual** can be found on the [CONHCP site](#).

- Chain-of-Command
- Personal Computer Requirement

Students:

- Will be accountable for the grade earned; faculty will not round scores up
- Must pass each course with a score of 76% or higher
- Course exam average must also be 76%
- Must successfully pass performance-based assessments & med-math assessments at each level in order to progress in the program

Our obligation is to produce **safe, effective, ethical** nurses & to protect the public from harm

REFLECTION

- Your program will present you with new challenges designed to help you grow into an elite & highly valued profession. Stay positive & committed to achieving your goals!
- **Take 2 minutes**, reflect, & ask yourself... “What are my next steps? Do I feel confident that I am fully prepared to start Level 1 of the program on **day one**? If not, what other questions do I need to ask *before* I leave today so that I can feel confident?”

Questions After Today's Presentation
